Foreword

Suddenly the days until graduation for the class of 1966 have grown too few. As we take time to reflect upon our four years at H.A.H.S., we search for the contributions which we have made. One of the last—and most lasting—contributions of any senior class is its own edition of the Argus.

The 1966 Argus has no theme other than the "school life" which it portrays. School life is people. It is the people who make up our faculty, classes, athletic teams, musical groups, and other organizations. We have tried to capture and preserve some of that life on these next few pages.

In a few short years the school life of the Class of 1966 will be memories. To those of our class, it will be the fond memories of our high school days which have slipped swiftly into the past. There will be memories of what we have gained from and what we have contributed to H.A.H.S. To those who are yet to follow the graduates of 1966, we wish fond memories of the years which you have shared with us.

We the Class of 1966 are proud to present our Argus. We hope that your memories of your school life will be lasting ones and that the 1966 Argus will help to keep those memories alive forever.

Miss Ritchey
Best of luck to

Superintendent

In his fourth year as superintendent of Huntingdon Area Schools is H. Ronald Huber, D.Ed. Dr. Huber joined our school system in 1962 at the time the Class of 1966 entered Huntingdon Area High School as freshmen. Thus, in a sense, we shared our first experiences at Huntingdon High School together.

Although his offices are located in the junior high school building, Dr. Huber often visits us to become better acquainted with teachers' methods and students' progress. He constantly seeks new and better ways to guarantee Huntingdon Area students the best education possible.

Reason and good judgment are the qualities which he exhibits as a leader in both school and community affairs.

With respect and admiration we, the Class of 1966, thank Dr. Huber for all that he has done and say that our mutual educational experiences have indeed been pleasant ones.

Assistant Superintendent

This marks the fourth year that Mr. John Binney has served as Assistant Superintendent of Huntingdon Area Schools. Mr. Binney acts as co-ordinator of the business activities which are essential to a smooth-running school system.

Among his important duties are the budgeting of school finances, the compiling of state reports, the purchasing of educational supplies, and the supervising of school personnel.

Mr. Binney plays a vital role in the efficient operation of the school program. By helping to maintain the high educational standards which have characterized Huntingdon during our four years of high school, he has made a definite contribution to our futures.

Thus, it is with much gratitude that the Class of 1966 expresses its sincere appreciation to Mr. Binney for his part in our education.

Principal

We, the Class of 1966, are indeed fortunate to have been acquainted with Mr. Norman J. Smith. Mr. Smith was beginning his first year as principal at Huntingdon when our class entered H.A.H.S. as freshmen. Throughout the past four years, his help has been invaluable to us.

Mr. Smith has shown his interest in students' well-being by efficiently managing the affairs of the high school, but his attendance at student activities, and his willingness to help us with our problems have demonstrated a deeper, more personal concern.

We say a sincere thank-you to Mr. Smith for being a fine administrator and a true friend to the Class of 1966.

Assistant Principal

For the past three years, Mr. Robert Scalpello has capably served as assistant high school principal. Mr. Scalpello has played an essential part in directing the complex operation of our high school. He is in charge of attendance, supervises student discipline, and in many other ways assists the principal in managing the activities of our school.

The Class of 1966 gives many thanks to Mr. Scalpello for his outstanding service to Huntingdon Area High School and his help and guidance to us as students.

Board of Education

Left to right: Seated—Porter Brown, Allen Hoover, W. L. Fouse, Mrs. Frances Fouse, Robert Miller, J. H. Hohman, William Hall, Richard Endres, William Engel, Mrs. Jean Stapleton, Paul Cunningham, Ralph Harden, William Lang, John Donelson, James Corcelius. Standing—Marlin Fouse, Donald States, Ross Metz, John Weller, Mrs. Ethel Varner, Harold Holt, Alton Smith, Mrs. Helen Elliott, Mrs. Kathryn Rockwell, Walter Eichensehr, Luther Davis, Ray Brown, Earl Householder, Elmer McCartney, John Gehrett, John Kelly.

Mr. Norman J. Smith and Mr. Jack Meloy

Education is a drawing out; it is not a cramming in. A good education can lead one to the discovery of ideas, to the shaping of present hopes, and to the recognition of meaning in life. It plays a major role in helping one to begin his search for unselfish self-fulfillment.

The Board of Education, representing the entire area served by Huntingdon Area High School, strives to provide the conditions and the facilities that will assure this kind of education for boys and girls. By recognizing and maintaining high scholastic and social standards, this group of men and women have fostered in students an awareness of the importance of education.

We, the Class of 1966, gratefully thank these men and women for the time and sincere efforts that they have given in the interest of Huntingdon Area High School students.

Guidance Counselors

Huntingdon Area High School students are fortunate to have two very fine guidance counselors to help them with academic, social, and personal problems.

Mr. James Jackson and Mr. John Wyland are always ready to provide encouragement and to give professional advice to anyone who feels that he should "talk to someone." Every student meets with a counselor at least once each year, and many who realize the benefits of the counselors' advice become frequent visitors at the guidance office.

However, student interviews and conferences are only a part of the important duties which these men perform. Administering tests, scheduling students for academic and vocational training, and providing information to students concerning aptitudes and special interests require much of their attention and time.

The Class of 1966 gives a special salute to the guidance counselors who have conscientiously helped us to prepare ourselves for a rewarding future.

Mr. Jackson

Mr. Wyland

Mr. Stoudt

Administrative Assistant

Mr. Henry Stoudt serves as Administrative Assistant to the Superintendent of Schools. In this position, it is essential to be cognizant of the federal and state programs through which funds to further education can be obtained for our local schools. Mr. Stoudt is also chairman of the History and Social Studies Department and a former president of the Pennsylvania State Education Association.

The Class of 1966 wishes to express its appreciation to Mr. Stoudt for his untiring efforts in helping individual students, in guiding and teaching in the classroom, in gaining prestige for our school through his state office, and in securing the much needed financial assistance to further our education.

Seniors and Underclassmen

Seniors

Class Officers. Steve Huston, president; John Stidd, vice-president; Scott Donelson, treasurer; and Sally Lloyd, secretary. Absent- Cathy Ward, historian.

Four short years have passed since the Class of 1966 entered Huntingdon Area High School as "greenies." During these years many things have happened that we will remember throughout our lives.

On September 5, 1962, 253 freshmen began their careers as Huntingdon Area High School students. Our first important task as a class was to elect officers. Lenny Hammers was chosen president; Scott Donelson, vice-president; Bonnie Kelley, secretary; Judy Carson, treasurer; and Cathy Ward, historian.

As our class began its secondyear of high school, we had gained much experience and were eagerly looking forward to accepting more responsibility. Class officers for our sophomore year were Lenny Hammers, president; Scott Donelson, vice-president; Sally Lloyd, secretary; Steve Huston, treasurer; and Cathy Ward, historian.

Finally the big year arrived; we were juniors. Scott Donelson assumed the duties of class president during the busy year. Other officers were David Croft, vice-president; Sally Lloyd, secretary; Steve Huston, treasurer; and Cathy Ward, historian. Immediately we began projects to earn money. The sale of pep cards, a magazine drive, a Christmas card sale, and a never-to-be-forgotten hoagie party helped to fill the class treasury. Climaxing our junior year was the prom. The theme was "Fantasy Under the Sea." Many hours of work went into making this first big undertaking a success.

On August 31, 1965 we entered high school as seniors. The Class of 1966 chose as its officers for the final year Steve Huston, president; John Stidd, vice-president; Sally Lloyd, secretary; Scott Donelson, treasurer; and Cathy Ward, historian. Also elected were two students from each senior homeroom to serve on the advisory board. These students, with the help of Mrs. Beverly McEwen, our class advisor, began making final plans for graduation. The prom peanut sale was the first fund-raising project of the year. On November 19 and 20 the Senior Class play, It Happened This Way, was presented. Many seniors were involved with the publication of the Argus. Soon it was time for Awards Assembly and Move-up Day.

Now, as we approach Baccalaureate and Commencement, we realize that our high school days are numbered. As we leave Huntingdon Area High School to pursue interests in higher education, business, and industry, we the Class of 1966 wish to express our most sincere thanks to the faculty and to the administration. It has been with their help and guidance that our years as high school students have been enjoyable years.

Tribute in Song

Tune - "More"

Always the mem'ry of dear H.H.S.
Will bring to all of us much happiness.
Proms and the tryouts for the Senior play
Will eer remind us of our high school days.

Games that we've played each fall
Are moments that we'll recall.
The friends that we've made these years
All these mem'ries we'll hold dear.
Soon we will leave this school for other goals,
We've studied long to train our minds and souls.

Oh, how we hate to start
New lives, but we must depart
From you, dear old H.H.S.
Farewell.

Juniors

Class Officers, Left to right: Dave Carter, Bob Wright, Darla Scott, Jim Futrell, and Jacque Shuck.

Having attained the status of upperclassmen, the juniors spent the past year earning money towards graduation. Their fine efforts were climaxed through many projects such as: selling pep cards, magazines, candy, Christmas cards, hoagies, and by sponsoring several dances.

During the 1965-66 term, the juniors chose Dave Carter as their president. Other elected officers were Robert Wright, vice-president; Darla Scott, treasurer; Jacque Shuck, secretary; and James Futrell, historian. These officers were aided by one representative from each homeroom; in turn, these representatives kept their respective homerooms well informed on all class activities. These Junior Advisory Board members were Dayna Zeligman, Paul Shaffer, Steve Bigley, Terry Harden, Virginia Norris, Susan Miller, James Futrell, Linda Kylor, Bob Stewart, and Barb DeForrest. The Junior Class was again capably advised by Mr. Evan Horton.

As a climax to the year's efforts, the Junior-Senior Prom was held in honor of the "Class of 66." Now the members of the "Class of 67" proudly display their class rings which symbolize their achievement to date.

Sophomores

Class Officers. Left to right: Susan Russell, Vicki Stewart, Dan Bryant, and Mary Lou McIlroy. Absent - Prudy Guerin.

The time of the "lowly greenie" had finally passed for the members of the Class of 1968 when they started their second year of high school. The sophomores welcomed the freshmen in the traditional manner by volunteering information concerning the locations of the elevators, swimming pool, and tennis courts.

At their first class meeting the sophomores were introduced to their class adviser, Mr. Thomas Hess, who conducted the nomination and election of class officers. Elected to office for the 1965-66 school term were: Dan Bryant, president; Vicki Stewart, vice-president; Susan Russell, secretary; Prudence Guerin, treasurer; and Mary Lou McIlroy, historian. One representative from each sophomore home room was elected to perform his duties on the Advisory Board.

The "Soph Hop" and other money-making activities kept the sophomores busy during the year as they prepared themselves to accept the responsibilities of juniors and the privileges of upperclassmen.

Freshmen

Class Officers. Left to right: Seated- Diane Hicks. Standing- Jerry Gutshall, Jeff Binney, Martha Morgan, and Joe Stidd.

The Class of 1969 entered Huntingdon Area High School for the first time on August 31, 1965. Sporting a very "green" hue, these newest members of the high school family were easily recognized as they nervously joggled their way from corridor to classroom. After a few weeks, however, they acclimated themselves to their new environment and adjusted quickly to high school life.

The first important activity of the Freshman Class was to elect class officers for the 1965-66 school term. Elected to office were: Jeff Binney, president; Jerry Gutshall, vice-president; Joe Stidd, treasurer; Diane Hicks, secretary; and Martha Morgan, historian.

Under the guidance of the class advisor, Mr. Maxwell Corbin, the members of the Class of 1969 have begun to climb the high school ladder with the hope of making their four years at H.A.H.S. both memorable and rewarding.

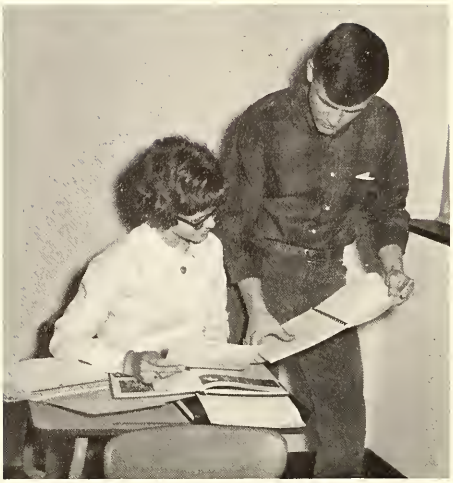
Argus

Editors



Louise Keller and John Stidd

"Has anybody seen the layout for the faculty section?"

"You'd better stop fooling around; our deadline is next week."

"This stupid scale will never work. It just won't come out right."

Sounds like chaos, doesn't it? Well, perhaps it was, but somehow the Argus staff has managed to come up with the finished product. After eight long months of hard work and confusion, their task is finished.

From the very beginning, the members of this year's staff have been determined that the Argus '66 would be the best ever. To make this possible, many changes and new methods have been used in preparing this chronicle. The Argus itself is proof that these changes have been successful.

The editors and the staff were chosen during the latter part of their junior year. The first staff meetings were held during summer vacation, and by the time school had started, the Argus had already begun to take shape.

The work of making the dummy, doing the final layouts, and editing the copy was difficult. Now the work is in the past. All that remains for the staff is pride in a job well done.

As a first-year member of the Pennsylvania School Press Association, the Newsreal for 1965-66 tried to match or improve its past record of excellence.

Four selected staff members attended their first PSPA convention in Williamsport, Pennsylvania, on October 1-2, 1965. The knowledge the four gained from the seminars and lectures they attended was put to use throughout the school year in improving the copy, content, and layout of the Newsreal.

Along with such standard features as club news, "Guess Who," and the editorial features, the Newsreal gained such new columns as "Record Rack" and a column written by Yukiko Hiroaka, H.A.H.S.'s American Field Service student. The news page continued its coverage of important school events, and the sports section retained its popular "Sportsman on Parade" column and expanded its coverage of school athletics to include all girls' sports.

Under Mrs. Leora Leonard's capable guidance, the 1965-66 Newsreal staff contributed much to the student body's awareness of important H. A. H. S. happenings and opinions.

Student Council

In its eighth year of existence, the student council of Huntingdon Area High School proved to be an effective example of student government. Advising the council was Mr. John Wyland, whose experience in guiding student organizations helped to make this council a responsible and respected governing body.

Each class elected its representatives to the council, and this group made the nominations for officer positions.

After an exciting campaign and election, the following students assumed the duties of their offices: Mike Simpson, vice-president; Darla Scott, secretary; and Steve Huston, treasurer. Lenny Hammers advanced to the position of president having served as vice-president during 1964-65.

The first activities sponsored by the council were the annual Athletic Queen contest and the dance held in honor of the queen. Other projects were the selling of AFS Christmas cards, placing important announcements on the school activity sign, providing student workers at the reception desk, and enlarging the record library. Student Council Night, Twirp Season, many school assemblies, and numerous dances were sponsored by the council.

The success of all council activities and projects during 1965-66 proved once again that Huntingdon Area High School has a student council of which it may well be proud.

Junior-Senior Prom

From the coolness of a spring night to "20,000 leagues under the sea"--this was the step taken by juniors, seniors, and their guests as they entered the H.A.H.S. gym on the evening of May 14, 1965.

Many hours of toil were devoted to the working of this magic as the Class of 1966 went about the task of transforming the gymnasium from its ordinary everyday appearance to one in accordance with their chosen theme, "A Fantasy Under the Sea."

On the afternoon of May 12, junior prom committee members and the industrial arts crew, under the direction of Mr. Ralph Thomas, Mr. Kenneth Mater, and Mr. Ronald Yoder, began their work. Soon rafters disappeared and were concealed by the blue of ocean waves and hundreds of swimming fish; bleachers vanished as scenes of marine life appeared in their place. The basketball court became an ocean floor displaying a sunken galleon, a giant swordfish, a mermaid, and other symbols of the deep.

The evening was highlighted by the announcement of the 1965 Prom Queen. Junior Class President Scott Donelson crowned Miss Barbara Conner with a tiara taken from a sunken treasure chest. In keeping with tradition, she and her escort, Dennis Wible, then led the dance immediately following her coronation. The juniors, seniors, and their guests joined them in this underwater fantasy to the music of Gene Botticher from Altoona.

At the magic hour of twelve, the promgoers departed for the traditional "Afterglow" at the Huntingdon Elk's Home and other private parties.

The Class of 1966 would like to thank all concerned with the 1965 Junior-Senior Prom for helping to make it one of the finest in H.A.H.S. history.

Senior Class Play

The senior class production of It Happened This Way, written by Frank Wattron, gave the Class of 1966 an opportunity to show off its capable thespians. It was presented on November 19 and 20 in the high school auditorium under the direction of Mr. Frederick Guinn.

The setting for the play is anytime in the present; anywhere in a typical American town.

As the curtain rises, Jan Cameron, played by Anne Bertolet, and Don Mays, played by Bill Brumbaugh, have been named joint editors for the school yearbook because the election of editor ended in a tie.

They may choose to serve as joint editors or to break the tie by individually writing a story to be judged by the faculty. Whoever produces the better story will then be named editor.

Since Jan and Don are going steady, they decide to become joint editors. They pledge that neither will write a story during summer vacation.

The trouble begins when each creates his own version of a party which had been given by Jan early in the summer. The plots of the stories revolve around the belief that Stubby Griffin, a very "cool" character, stole Mrs. Cameron's watch during the party.

Expert costuming, a fine stage set, hours of rehearsal, and good acting brought this delightful comedy to life and gave it a place among the traditionally excellent theatre presentations at H.A.H.S.

Clubs

Students at Huntingdon Area High School have excellent opportunities to expand their knowledge and to find new interests through various club activities.

After the first organizational meeting, each school-sponsored club met every other Wednesday during an activity period to discuss club business or to work on special projects. Whether the purpose of a particular club was to help one find personal enjoyment and satisfaction, to render some service to the school and community, or to help one prepare for a career; a club always offered its members an opportunity to learn about something in which mutual interests exist. Observing films, listening to guest speakers, presenting special programs, and going on field trips are only a few of the many activities in which H.A.H.S. clubs engaged.

Club participants will agree that membership in an organization has brought rewarding social and academic experiences, and that the fourth period every other Wednesday was well-spent.

String Ensemble

Shakespeare once wrote, "The man that hath no music in himself, / Nor is not moved with concord / of sweet sounds / Is fit for treasons, stratagems, / and spoils."

Huntingdon's music department offers many opportunities to students to find expression in all types of music.

During a stroll through the music department on any day of the week, one may be enchanted by the flowing tones of a Beethoven symphony or perhaps thrilled by the bouncing melody of a contemporary jazz artist. A longer visit may bring the rhythmic sound of drumsticks bouncing on a practice pad or the rich sound of a soprano climbing the musical scale. It's all music, and H.A.H.S. students have learned that it can be enjoyable as well as instructive.

Many choral and instrumental groups spend a great deal of time preparing entertainment for school and community audiences.

Program themes this year ranged from the celebrating of religious holidays to the honoring of American war veterans.

The music department adds much enrichment to the school life at H.A.H.S., and music directors Herbert Williams and Lester Garman have seen to it that there is a group for everyone.

Band

This year has been an eventful one for the Huntingdon Area High School Band.

The year began with summer practices which were promoted to acquaint band members with the music and the various routines for the football games. When school began, rehearsals continued in the band room; and when the weather permitted, on the practice field adjacent to the school.

On October 2, the band participated in Band Day at the Pennsylvania State University. This is a half-time show performed by the bands from high schools throughout Central Pennsylvania and directed by Penn State Director James Dunlop.

In November the new navy blue uniforms arrived just in time to be worn for the Arrow Shirt Company dedication and the annual Christmas parade.

Annual events for band are the county, district, and all-state festivals. Ten band members represented Huntingdon this year at the district event which was held at Central High School in Martinsburg, January 20, 21, and 22. Huntingdon hosted the all-state affair on February 10, 11, and 12. During these performances Dr. James Thurmond of Lebanon Valley College was guest conductor, and Dr. Eugene Rousseau of Indiana State University was guest saxophone soloist.

Twirlers

"First impressions are lasting," as the saying goes, and Huntingdon Area High School's Twirlers are responsible for giving many people their "first impression" of the marching band. Thanks to their hard work and practice, that impression is a good one.

The 1965-66 Twirlers led the H.A.H.S. band with a smile and a high step through weather ranging from cold and rain to heat and sun. They devoted many hours of practice toward perfecting their skillful routines under the watchful eyes of their advisor, Mrs. Virginia McIlroy, and the head majorette, Margaret Flasher. This year, along with the rest of the band, the twirling corps received attractive new uniforms.

Dear Miss Ritchey,
Words can not express the feeling I have toward you. Is it because you're thoughtful bold, or a real teacher? I can't pinpoint the exact reason I respect you so much. I only hope that someday I can become a Phys. Ed teacher and be only half as great as you are. Yes I know teachers are here to teach students, but you have brought out the real meaning of a "real teacher."

Athletic Queen

During the half-time activities at the Huntingdon-Lock Haven football game on October 8, Miss Betsy Huston became the Athletic Queen for 1965.

Betsy, a junior, was selected by the student body from a group of thirty-eight junior and senior girls. She is a varsity cheerleader, a member of the Girls' Athletic Association, pep club, and girls' field hockey team.

The ceremony began as Betsy, escorted by Ed Strickler, and her court made their way to the center of the field while the H.A.H.S. Band played "Make Believe." As the notes of "Fasination" floated over a hushed crowd of spectators, Betsy was crowned by Miss Susan Wood, Athletic Queen for 1964.

The members of the queen's court were Barbara Everhart, escorted by Phil Bryant; Bonnie Kelley, escorted by Dick Endres; Barbara DeForrest, escorted by Bob Almquist; and Darla Scott, escorted by Bill Brumbaugh. Cindy Rohm, daughter of Mr. and Mrs. Chris Rohm, was flower girl, and Joie Hammers, son of Mr. and Mrs. E.V. Hammers served as crown bearer.

After the game a dance sponsored by the student council was held in honor of the new queen at the high school.

Choralairs

"Sopranos and altos are singing too loudly! I can't hear the basses and tenors."

Those are some of the sounds that can be heard echoing from Room 115 during the fifth period on Tuesdays and Thursdays.

Under the direction of Mr. Herbert Williams, the Choralairs practice diligently in preparation for their two major concerts of the year -- the Christmas Candlelight Program and the Spring Concert. Many hours of rehearsal precede the presentation of special school assemblies and inter scholastic choral exchange programs.

Boys' Chorus

This year, the Hand Bell Choir, the Madrigal Singers, the Belles and Beaux, and the Brass Choir performed various community engagements as well as school concerts.

Eight members of the Choralairs were chosen to represent Huntingdon at the South Central District Chorus Festival which was held on March 24,25, and 26 at DuBois Area High School. Those attending the event were Carolyn Keller, Tim Oberman, Melinda Reese, Mary Ellen Smith, Robert Stewart, Chris Wagner, Hollace Warner, and Roger Williams.

Huntingdon Area High School's Choralairs are well known throughout the county as one of the most delightfully entertaining musical groups ever to perform before local audiences.

Football

The man who said, "Defense is the name of the game!" surely must have been talking about the 1965 Bearcats. The defensive unit of the Bearcats was so strong that, with the exception of the game with Hollidaysburg, the opposition was not able to muster more than one touchdown in a single game. Although mid-season showed the 'Cats with a weak 1 - 4 record, the team rebounded to finish the season with a 5 - 5 slate. Its record was not so impressive as those compiled by past Bearcat teams, but the desire and spirit of the 1965 Bearcats will live in sports history at H.A.H.S.

The Bearcats opened their season against the Eagles of Somerset at War Vets' Field. Huntingdon's only score came in the second period when Lenny Hammers raced 62 yards. The PAT was missed. Early in the fourth quarter, Somerset scored on a 71-yard pass interception. The kick was good, and the game ended in a frustrating 7-6 defeat for the Bearcats.

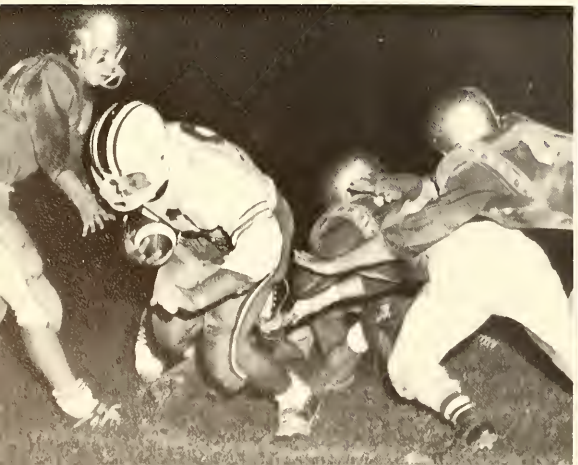
Huntingdon faced ancient rival Mount Union in the season's second game. The 'Cats jumped off to an early 6-0 lead as Hammers scored from two yards out. In the second half the Trojans went ahead 7-6, and Huntingdon fans feared a repeat of the Somerset game. Their fears disappeared when the Bearcats marched 22 yards after Pee Wee Garner recovered a Trojan fumble, with Hammers again scoring. Ken Fagan's kick split the uprights to settle the scoring at 13-7.

Huntingdon traveled to Philipsburg for their first away game. The home team's rain-soaked field was the scene of another heartbreaking defeat for the Bearcats. The 'Cats drove inside of the Mounties' 20-yard line on three separate occasions, but were unable to score. The lone Philipsburg T.D. came in the third period.

"The Ref beats his wife!"

Players and fans alike are still talking about the Huntingdon - Tyrone game. Bearcat defense was at its best throughout the contest. At one point the 'Cats held the "Papertowners" for four downs inside the Bearcat five-yard line. Huntingdon took possession of the ball with one minute and seven seconds remaining in the game. With seven seconds showing on the clock and the score deadlocked 0-0, Tyrone stole the ball from quarterback Fagan and galloped 31 yards for the touchdown.

Hammers breaks through the Trojan line for a Bearcat touchdown.



"Where did you say you dropped your mouthpiece??"

The fifth week of competition saw the Bearcats pitted against previously undefeated Lock Haven. Once again the story was the same. Bearcat defense held the Bobcats to a single touchdown, but the offensive unit was unable to mount an effective scoring threat as a fourth quarter drive stalled on the two-yard line. The final score was 7-0.

After being held scoreless for three weeks, the Bearcats pushed across two touchdowns to stop State College 13-6. Bobby Wright passed to Jim Forr for eight yards and Huntingdon's first score. Fagan added the PAT. Lou Tress put the 'Cats on the scoreboard again in the fourth quarter with a 43-yard punt return.

Huntingdon's offense came into its own by pinning a 19-6 defeat on the Indians of Indiana. Tress raced 50 yards for a first quarter score. In the opening play of the second period, Garner dashed into the end zone, and Fagan kicked the extra point.

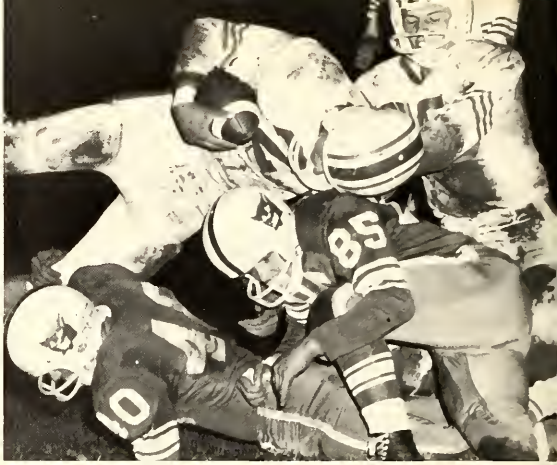
Huntingdon's defense broke down against the powerful Hollidaysburg eleven as the Tigers handed the Bearcats their worst defeat of the season. Huntingdon's lone scoring opportunity came in the final minutes of play when Hammers recovered a fumble at the Hollidaysburg 21. Two plays later Mike McNeal broke over for the touchdown, and Fagan added the PAT. Hollidaysburg ended out in front 27-7.

The surprise of the season came as the Bearcats upset heavily favored Chief Logan 7-6. Huntingdon climaxed a 55-yard touchdown drive early in the game with Hammers breaking over tackle on a fourth down. Fagan's kick turned out to be a margin of victory for the 'Cats. The fourth quarter was less than two minutes old when the Mingoes scored. A bid for the extra point failed, as did a field goal attempt in the closing minutes of play.

Huntingdon closed the season by rolling to an easy 41-7 triumph over Lewistown. Six Bearcat gridders shared the scoring honors. The 'Cats jumped into an early lead by moving 75 yards in five plays. Capping the scoring drive was a 55-yard dash by Hammers. Fagan kicked the extra point to give Huntingdon a quick 7-0 lead.

"No more suggestions from the field, son. The cheerleaders are busy."

"It's MY quarter!"



"I think I see a puddycat!"

The next Bearcat Touchdown came when Wright went over from the one yard line. Wright passed to Forr in the end zone for the extra point. With less than four minutes remaining in the half, Wright tossed to end Ted Bayer for a third T.D. Time was running out in the first half when a Panther punt was blocked by Bill Rhodes, who picked up the loose ball and raced 27 yards for the score. The PAT was missed. Shortly after the start of the third quarter, Forr took a Wright aerial for 15 yards and another touchdown. Alan Hartman kicked the extra point. The 'Cats' final score came when Wright flipped a four-yarder to Harvey Wason. Hartman's kick was good.

Another scholastic football season was over, and the fine effort put forth by the 1965 Bearcats will not be forgotten.

"Don't be afraid; they won't hit back."

Rabbit misses the girl but gets her coat.

Bitten twice inside the Chief Logan five-yard line, Huntingdon had to settle for a 0-0 tie. The Bearcat defense showed its strength by stopping a Mingo drive on the nine-yard line.

The crowd lauded the Huntingdon boys when they registered a 26-0 victory over Mount Union. Miller leaped five yards for Huntingdon's first score, and Tim Shea followed with a 50-yard run and the second touchdown. Both attempts for a point after touchdown failed. The second half brought just as much action as Tim Shea passed 10 and 12-yard scoring plays to brother Martin Shea. Tom Snare kicked both extra points.

The Junior Bearcats were whitewashed 13-0 by State College as Huntingdon made the last home appearance of the season. The defensive units of both teams fought hard through three quarters of play, but State College registered two touchdowns in the fourth.

Huntingdon's final game of the season was with Tyrone. It was another battle and, once again, another heartbreaker. Huntingdon came out on the losing end of a 7-0 ballgame.

The Junior Bearcats' final record was two wins, four losses, and one tie. Although they had a not too impressive record, the J. V. boys played hard to the very end of every game.

J. V. Football

Huntingdon's B squad opened the season with a 19-13 win over Tussey Mountain. It was a battle in which all of Huntingdon's scoring was done in the first half.

Gerry Snare put lights on the scoreboard as he pushed through on a two-yard drive, and Bill Gibboney scored another TD by scampering 45 yards to the end zone. John Miller passed to Gerry Snare for the point after touchdown. The final Bearcat score came with a 75-yard kick-off return by Miller.

Huntingdon's J. V.'s were handed their first defeat at Hollidaysburg. The Little Tigers poured it on, and the final score was 37-0.

Lewistown's B squad came on strong and pinned a second setback on Huntingdon with a score of 14-6. The only H.A.H.S. touchdown came from a five-yard toss from Miller to Gibboney; the PAT failed.

The slump continued as the J. V. Bearcats fell to their third defeat. Juniata Joint won over Huntingdon 8-0.

Varsity Basketball

"Now for my next magical trick. . ."

The 1965-66 Bearcats compiled an outstanding record of nineteen wins against only three losses. Hearty congratulations go to all members of the Bearcat team for their performance during a highly successful basketball season.

On its road opener, Huntingdon was unable to overcome the jinx that has plagued it for the past four years and dropped a 54-56 heartbreaker to the Rams of Penns Valley. Louie Tress led Bearcat scores with 20 points; Randy Lindsay followed with 16.

A 94-33 win over Tussey Mountain put the Bearcats in the win column for the first time in the season. High point man for the 'Cats was Tress with 22 points.

The Bearcats notched their second victory in three outings by conquering State College 57-42. Ted Bayer scored 21 points to lead the H.A.H.S. five.

Huntingdon romped to an easy 75-50 win over Penns Valley to avenge their earlier defeat at the hands of the Rams. Junior guard Ed Strickler paced the Bearcats with 19 points. Tress followed with 17, and Bayer contributed 10.

The 'Cats logged their fourth win in a return contest with Tussey Mountain. Huntingdon outscored the Titans by a 98-46 margin. Fourteen Bearcat cagers contributed to the scoring barrage. The scorers were led by Bayer with 18 tallies followed by Tress with 16 and Lindsay with 12.

Huntingdon's next victims were the Red Raiders of Bellefonte. The Bearcats won by a 71-49 count to conclude pre-holiday action. Bayer led Huntingdon's scoring attack with 17, and Jim Forr was close behind with 15.

In the opening round of the Philipsburg Quarterback Club Tournament, Huntingdon's five-game winning streak was snapped by Bishop Guilfoyle. The H.A.H.S. quintet was bumped off by a slim 59-53 margin. The loss destroyed any hopes the 'Cats may have had of winning their third straight tournament crown. High scoring honors for the Bearcats went to Lindsay with 11 markers. He was followed by Tress and Forr with nine points each.

Huntingdon bounced back in the consolation match by dealing host team Philipsburg a 58-54 defeat to nail down third place. High point man for the Bearcats was Bayer with 16 points.

H.A.H.S. successfully opened its Mountain League schedule by turning back visiting Central 70-44. Tress turned in a 21 point effort to gain scoring honors.

The Huntingdon quintet had to come from behind to hand Philipsburg a 67-59 loss and to remain undefeated in Moutain League play. Bayer's 23 points led the scoring attack.

In their next outing the 'Cats dealt a crushing 66-33 defeat to visiting Chief Logan. Miller was top man with 21 points.

In a battle of the unbeatens, Huntingdon and Tyrone squared off on the Eagles' home floor in the showdown of the first cycle. Bearcat cagers came away victorious as Huntingdon's rebounding was a key factor in their 56-49 win. High scorers were Forr and Strickler with 13 tallies apiece.

The 'Cats' next victory came at the expense of a stubborn Mount Union five. Bayer and Tress shared scoring honors with 15 points each to lead the Bearcats in a 63-43 route of the Trojans.

Huntingdon wrapped up the first cycle championship by scoring a 64-52 win over the Panthers of Lewistown. Four of the Bearcats' five starters hit double figures. Bayer, with 21 points, led the way for the victors. He was followed by Miller 14, Tress 13, and Strickler 12.

The Bearcats continued their winning ways by opening the second cycle with a 61-49 decision over Hollidaysburg on the Tigers' home court. The 'Cats were paced by Miller who tossed in 15 points. Following him were Tress with 14 and Bayer with 11.

The H.A.H.S. five chalked up an impressive 64-43 victory over Philipsburg to bring their season record to 15 wins in 17 starts. Huntingdon had four starters in double digits; Forr and Miller scored 16 points, and Bayer and Tress connected for 11.

Huntingdon ran its unbeaten streak to 11 straight with the 'Cats coming out on top of a 66-61 overtime contest against Chief Logan. Clutch shooting at the foul line, 13 of 14 foul shots in the three minute overtime, sparked the Bearcats' winning effort. Five 'Cats shared scoring honors. Tress scored 19 points, Bayer 14, Forr 11, and Strickler and Miller ten each.

H.A.H.S. cagers saw a seven point lead melt away in the closing minutes of the fourth quarter. The 'Cats were forced to go into a double overtime to edge by Tyrone 68-64. Miller led Bearcat scorers with 19 points.

A screaming crowd watched as Huntingdon grabbed its twelfth straight league victory by trouncing Mount Union 61-47. Tress and Bayer flipped in 14 markers apiece for the Bearcats.

"I think I can, I think I can, I know I can!"

"C'mon, give me a bite of your Easter egg!"

"Yeah, but it's not for sale."

Putting their unblemished Moutain League record on the line against Lewistown, the Bearcats rolled to a 73-48 victory over the Panthers. Huntingdon turned in its hottest shooting performance of the season, hitting on 53 per cent of its shots. Tress swished in 21 points while Forr added 15, and Miller, 13.

Huntingdon tasted the bitterness of defeat for the first time in their long hard Mountain League campaign when they encountered the Scarlet Dragons of Central. The Blair Countians held a slender three point advantage at the half, but they came back strong to whip the Bearcats 57-38. Miller and Forr had 11 points each to lead Huntingdon scoring.

Coach George Weaver's 1965-66 squad deserves much credit and appreciation, not only for their many victories, but also for the fine sportsmanship they have displayed on behalf of Huntingdon Area High School.

The Bearcat matmen of Huntingdon finished their second most successful season by compiling a 9-4 mark. This record has been bettered only by the 1964-65 team with nine wins, three losses, and one tie.

Coach Elwood Reese's grapplers opened the season with a 33-14 victory over Kishacoquillas. Pins were recorded by Bill Rhodes in the third period, Roy Snare in the second period, and Mike Ketner in the second period. Earl Harris won by forfeit.

The Bearcats made it two in a row by defeating Greenfield-Kimmel with a score of 46-8. In this match Bill Rhodes and George Morder won first period falls while Mike Ketner pinned his opponent in the third period. Denny Schmidt made a fine performance as he showed his opponent the lights and recorded a second period pin. Lance Shope and Roy Snare won by forfeit.

The tables were turned, however, when Hollidaysburg defeated the Bearcats 33-19. Mike Ketner scored the only pin, and Mike Simpson won by default.

Putting themselves back into the win column, the Bearcats trounced Central 37-13. First period falls were won by Denny Schmidt and Bill Rhodes; later falls, by Roy Snare and Mike Ketner.

H.A.H.S. matmen could not out-wrestle a tough Moshannon Valley squad, and "Mo" came through with a defeat over Huntingdon 27-9. Although no falls were recorded, Rhodes, Snare, and Ketner won a trio of decisions.

At Everett the 'Cats won a victory over Everett-Southern by a slim margin of 22-19. Fans spent tense moments on the edge of their seats as "Buck" Shea pressured a second period pin -- the only Bearcat pin of the evening. Double trouble appeared when Huntingdon surrendered to Tyrone 32-11 and to Penns Valley 24-12. These losses evened the Bearcats' record at 4-4.

Chief Logan, however, could not control the angry 'Cats. "Buck" Shea and George Morder chalked up third period falls, and Huntingdon left the mats with a 24-22 victory. Lewistown became another Bearcat prey when Reese's men grappled and defeated them 23-18. Recording pins for Huntingdon were Bill Rhodes and "Buck" Shea.

"Maybe if I asked him politely . . ."

"I thought you said that you wore size 9 1/2."

It was three in a row when the 'Cats defeated Juniata Joint 37-5. Wrestling fans nodded in approval as Shea recorded his third consecutive pin. Terry Geiser recorded a fall. Neither Mount Union nor West Branch could out-wit Bearcat skill as Huntingdon triumphantly won both matches with scores of 23-14 and 20-18 respectively. The total number of consecutive wins was now five. In the match with West Branch, Denny Schmidt, team captain, recorded the only fall for the Bearcats.

Huntingdon sent twelve men to the sectional tourney. Mike Simpson, Lance Shope, Bill Rhodes, Roy Snare, and Mike Ketner made it to the semi-finals. Simpson and Rhodes won semi-final matches, and Rhodes went on to win the finals. However, in the district meet, Rhodes lost in the first period to Johnstown's Greg Taylor. Nevertheless, Rhodes' 18-1-1 record is one of which he and H.A.H.S. may well be proud.

J. V. Wrestling

The Junior Varsity toughguys showed previews of things to come as they completed the 1965-66 season with an impressive 12-2 record.

The pin-minded 'Cats began the year with a 34-20 victory over Kishacoquillas. After two successive wins at the expense of Greenfield-Kimmel 46-6 and Hollidaysburg 36-22, the Blue Team yielded to the Tussey Mountain varsity 33-27. With blood in their eyes, the Little Cats ruled the mat over Central 32-17, Moshannon Valley 36-9, and Everett-Southern 35-8. Edged by Tyrone 26-17, the Bearcats vowed that this would be the last time they would be on the short end of the stick. With victory in mind the mat men then stacked up six in a row by defeating Chief Logan 38-11, Lewistown 43-11, Juniata Joint 30-7, Mount Union 32-11, and West Branch 31-18.

Several boys on the squad had impressive records for the season. At 95 lbs. Bob Eichensehr was 13-1 with six falls to his credit. Fred Wilson at 103 compiled an identical 13-1 record. Other enviable records were earned by Mike McNeal (11-2), Tim Shea (11-2), Gerald Snare (9-1), and Barry Metz (8-1). Eichensehr contributed the most points for his team this year with 54, while McNeal led the team in falls by showing the lights to eight of his opponents.

The highly spirited grapplers provided much excitement for area fans and are already looking forward for a bigger and better year in 1966-67.

"I just dare you to step over that line."

Track

Coach Cecil Jackson's crew of thinclads dropped their opening meet against Kishacoquillas by a 74 1/2 to 52 1/2 margin. Senior weightman Andy Ketner made Huntingdon's top score with victories in the discus throw and shot put. Other winners were Randy Oeffner in the 100-yard dash and Mike Garner in the 880.

After many years of feeble attempts the 'Cats finally pulled the cinders from beneath the feet of Lock Haven by handing them a 66—61 defeat. Ketner was the only double winner posting victories in the discus and shot put. Huntingdon received victories in the mile relay, 120 high hurdles, 180 low hurdles, 880, mile, discus, high jump, shot put, and javelin.

In their first triangular meet Huntingdon settled for second place between first place State College and third place Bald Eagle. The cindermen were competing in the two-mile; hop, step, and jump; and two-mile relay for the first time in the history of Huntingdon track. The 'Cats' best showing was in the two-mile run in which they picked up a seven point effort with Mike Dean placing first and Alan Hartman, third. Ketner heaved the shot 45 feet, 11 inches for a new Huntingdon school record, but only a second place finish.

In their next outing the tables were turned when the powerful Golden Tiger thinclads handed the 'Cats a 108—41 loss at War Vets Field. In the running events the only first went to the two-mile relay team composed of Randy Lindsay, John Stidd, Charlie Patterson, and Mike Garner. Ketner was the only individual winner for Huntingdon with a winning toss in the shot put.

In their second triangular meet the 'Cats shared the honors with the cindermen of Tyrone. Each scored seventy-six points, leaving only twenty-six to Bald Eagle. Huntingdon received ten points in two events, the shot put and high jump. Other first places were scored by the two-mile relay team; Ketner, shot put; Dean, two-mile; Muir, discus; Tress, low hurdles; and Bayer, high jump.

Coach Jackson's cindermen finished fifth out of thirteen competing schools in the Bellwood Invitational Track and Field Meet.

Senior *Thinclads*

Left to right: Top row—Ted Bayer, Charles Feagley, Mike Garner, Alan Hartman, Steve Huston. Bottom row—Tim Shope, John Stidd, Lou Tress.

Huntingdon's thinclads broke one record in the Central Counties Track Meet. Ketner set a new school shot record with a heave of 47 feet, 9 1/2 inches and finished fourth. Tress received the Bearcats' biggest share of the points when he finished second in the low hurdles. The two-mile relay team placed third. Muir was fourth in the discus, and Harry Snyder tied for fourth in the high hurdles.

In the Juniata College relays Ketner was once again the only first place winner. Bayer scored a second in the high jump, and the two-mile relay team also scored a second place. The sprint medley team of Bill Rhodes, Randy Oeffner, Pat Miller, and Randy Lindsay was third.

Southern Huntingdon was Huntingdon's next opponent at War Vets Field. The 'Cats rolled over the Rockets by a score of 116—20. The thinclads grabbed fourteen of sixteen places. Not counting the relay teams, twelve individuals shared the first place wins. Oeffner was Huntingdon's top scorer with a total of eleven points. The 'Cats had five 1-2-3 finishes, winning in the 440, low hurdles, 880, discus, and javelin.

Coach Jackson's team closed the 1965 season by squeezing by the Lewistown Panthers with a score of 73—67. The 'Cats brought home seven first place wins and tied for another. Terry Bumgardner scored victories in the javelin and high jump. Scoring second in the shot put brought Terry scoring honors. Tress won the 140 low hurdles and tied for first place in the broad jump. The thinclads scored another victory in the two-mile relay.

The Bearcats scored only four points in the District Six Track and Field Meet. Huntingdon's two-mile relay team won third place, and Tress finished fifth in the low hurdles.

The 'Cats ended a successful season with a record of five wins, three losses, and one tie. Their efforts on the cinder path were a credit to Huntingdon Area High School.

Golf

Relatively new on the Huntingdon Area High School sports calendar is golf. Coached by Mr. Maxwell Corbin, the Bearcat tee-men are eagerly looking forward to finishing this season with as much success as was recorded last year.

In the 1965 season the golf team tallied a mark of ten wins and three losses. The Bearcats landed "in the rough" on their first start when they were defeated by State College with a score of 6-0, but they quickly rebounded with a 17-1 rout over Central. Barry Dore was medalist with a score of 78.

Splitting the honors of the next match, Huntingdon defeated Lock Haven 12-6 but lost to Bellefonte 11-7. Steve Huston had a low score of 80. The Hollidaysburg match ended with a 15-3 victory for the Bearcats with Mike Daneker as medalist with an 80.

Both Philipsburg and Altoona fell before the 'Cats in separate matches with the repeating score of 10-8. Ed Strickler claimed medalist honors with a 79 and a 78 respectively.

In the next match the Corbinmen were defeated by Philipsburg 10-8; however, Ed Strickler was again medalist with his 82.

Huntingdon recorded their sixth victory against three losses by winning over Hollidaysburg 13-5. Barry Dore was low man with an 83.

Scoring their biggest upset of the year, the Bearcats walked away from their second match with State College with a 10-8 victory. Medalist honors went to Ed Strickler with a low 72.

Left to right: Coach Maxwell Corbin, Dave Croft, Barry Dore, Ed Strickler, Mike Danneker, Steve Huston, Tom Wood, Dick Endres, Sam Peterson, and Fred Kephart.

This victory seemed to put the 'Cats "on the green," for they went on to score victories in all the matches that followed. Ed Strickler took low honors with a 77 as Huntingdon buried Bellefonte under the turf with a score of 14 1/2-3 1/2. The ninth win in twelve starts was recorded when Bearcat golfers trounced Altoona 11-7. In this match Tom Wood and Ed Strickler were co-medalists with matching scores of 82.

Steve Huston captured medalist honors with a 75 in the closing match of the season as Huntingdon won a 16-2 victory over Central.

The H.A.H.S. tee-men for 1965 are lauded for a very successful season and for initiating what will surely become a sports tradition at Huntingdon.

Tennis

A popular new sport at Huntingdon Area High School is tennis. Although the first season was not a very successful one for Huntingdon's novice net-men, it did yield much experience to those who participated.

In their first interscholastic start, the Bearcats bowed to Lock Haven in a match that ended with Lock Haven over Huntingdon 0-7. State College handed the 'Cats another 0-7 defeat, and Lock Haven returned to once again cage the 'cats by a score of 0-7.

Against Hollidaysburg, Huntingdon again failed to score as the Tigers romped to a 0-7 triumph. The season was half over when State College came over the mountain and served Huntingdon another 0-7 defeat.

In the sixth match of the season and the second meeting with Hollidaysburg, Steve Wagner scored a singles victory while Bruce Kauffman and Steve Wagner duo-chalked up a doubles win. However, Huntingdon left the courts on the light side of a 2-5 score.

The blacktop grew cold for Huntingdon as Altoona walked away with a 1-6 decision. The Bearcat point was made by the Kauffman-Doughterty combo on a doubles win. In the final match of the season, a tough Mercersburg Academy team defeated the netmen to the tune of 0-9.

The first year was disappointing to the H.A.H.S. racketmen, but with many players returning, the next season may be brighter.

Baseball

For the fifth consecutive season, the Huntingdon Bearcats won the County Scholastic League baseball title. Superb pitching and timely hitting led the 'Cats to the District Six playoffs. Under Coach Edward McDowell the Bearcats compiled an impressive record of ten wins and two losses.

Don Snare was the "man of the hour" for Huntingdon as "the Duke" fired a no-hitter in the opening game against Southern Huntingdon. The 3-0 victory made 29 straight wins for Huntingdon. Randy Witherite led all hitters by going 2-3 at the plate.

Huntingdon's long win skein was broken by Mount Union as the Trojans won 3-2 in extra innings. Don Snare permitted only three hits, but he could do nothing about his teammates errors. Huntingdon's runs came on homers by McCracken and Ed Hammers.

The Bearcats put the clams on Southern Huntingdon again as Terry Bowser hurled a one-hit, 5-0 whitewash. Ed Hammers and McCracken each had two hits to lead the 'Cats.

Huntingdon next traveled to Mercersburg Academy for an exhibition game. The Bearcats pulled out a 4-1 decision with Ed Strickler humming Huntingdon's second consecutive one-hitter. Rusty Kyle's three hits spearheaded the Bearcats' attack.

The Juniata Valley Hornets were Huntingdon's next victims in a 13-0 rout. Don Snare tossed his second three-hitter as the 'Cats picked up their fourth league victory. Ed Hammers and Chuck Querry each collected three hits.

Huntingdon took the first place position in the County League by drubbing Mount Union 15-7. Ed Strickler won the game in relief of starter Terry Bowser. Altogether the Bearcats pounded out 16 hits.

"No, I won't buy the popcicles if you win."

Rusty Kyle singled home the winning run to edge Southern Huntingdon in the ninth inning. Don Snare's pitching, along with Kyle's three hits, earned the victory for the 'Cats.

Ed Strickler allowed Juniata Valley only two hits in another Bearcat victory. In a 10-1 win Ron McCracken was the only 'Cat to collect more than one hit.

Huntingdon clinched the League title with a 5-1 defeat of Mount Union. Don Snare pitched his third three-hitter of the season for his fourth County League win. Kyle went 2-3, and Ed Hammers smashed a homer to lead the hitting department.

Huntingdon's last County League game went into the ninth inning before Lenny Hammers blasted a homer to defeat Juniata Valley 5-4. Lenny Hammers had three hits to head the Huntingdon 12-hit tally. George Morder won his first game after relieving starter Terry Bowser.

The Bearcats rallied in the late innings to edge Altoona 8-7. Bart DeForrest singled the tying and winning runs in the seventh inning; Querry, Kyle, and DeForrest each had two hits. Terry Bowser was the winner in relief of Don Snare.

Huntingdon's nine game winning streak was broken as the Bearcats found themselves on the short end of a 5-2 score in a joust with Altoona. Huntingdon could manage only three hits.

The District Six playoff game was a thriller, but it ended in frustration for Huntingdon as Lewistown squeaked past the Bearcats in the eighth inning and won the game 3-2. Don Snare pitched a fine five-hitter in his last start for the Bearcats. Bart DeForrest led with two hits. Ed Hammers poked a homer, and Ron McCracken smashed a long double; however, the Bearcats fell one run short.

At the end of the 1965 season Mr. McDowell retired as head baseball coach of the Huntingdon Bearcats. Over the years Coach McDowell has compiled a record which has become the envy of many. Our best wishes and admiration go to Coach McDowell, a gentleman and a top-notch sportsman.

Girls' Basketball

The Bearkittens of Huntingdon High completed another very successful year on the basketball court with 35 girls on the varsity and junior varsity teams. Coached by Miss Linda Ritchey and Mrs. Karen Nolan, the teams enthusiastically started to practice for their winter schedule early this year. Before every game each girl was presented with a small red "H" which served as her good luck piece. This "mark of a champion" really boosted the girls' morale throughout the season.

Getting off to a good start on January 11, the Bearkittens defeated Burnham Y with a score of 27-21. The team's next encounter came with Tyrone on January 18 and gave the girls their second win of 42-34. The J.V. team beat Tyrone by a score of 12-8.

The first road trip was a sorry one when the Bearkittens suffered their first defeat, 30-19, at Grier. The J.V. team remained undefeated with a 10-9 win.

On February 4, Rothrock defeated both teams; the varsity lost with a score of 45-32; the J.V.'s, with a score of 28-15.

On February 7, the girls won a startling victory over a big rival, Juniata College, with a 31-23 victory. Juniata beat the J.V. team by a slim score of 12-11.

Meeting Tyrone for the second time on February 11, the Huntingdon girls came out on top with a win of 30-29 in the varsity game and a win of 21-5 in the junior varsity game.

Against Chief Logan on February 18, the girls scored another double victory with the varsity winning 34-24; junior varsity, 19-11.

Playing Juniata College for the second time brought another defeat for the Bearkittens with a score of 28-25.

Rothrock again beat the varsity team with a score of 51-26. The J.V. team won with a victory of 25-18.

Girls' Field Hockey

Those girls you've seen decked out in cut-offs, sweat shirts, and shin guards aren't really looking for a fight; but put them on a hockey field, and they'll show you how to play one of the roughest, toughest games in girls' sports.

This year twenty H.A.H.S. girls, coached by Mrs. Gary Nolan and Miss Linda Ritchey, compiled a record of three wins and two losses in field hockey.

The first game of the season was with Grier School on October 19. The season opener turned out to be disappointing, however, for Grier won the battle 8-1.

Discipline and determination were the words of the day on October 21. The Huntingdon girls showed Chief Logan how the game is played by winning with a score of 8-0.

In a rematch with Grier on October 26, the H.A.H.S. squad again suffered defeat. Grier went home the victors by a score of 4-1.

Nevertheless, the Huntingdon girls polished up their hockey sticks and went on to win the last two games of the season. Chief Logan yielded to the Nolan-Ritchey girls 4-1, and Bellwood mowed the grass while Huntingdon defeated them 4-0.

"Don't worry about hitting the ball, girls; just keep smiling."

Cheerleaders

Left to right: Betsy Huston, Dee Guisler, Carolyn Keller, Barbara Everhart, Bonnie Kelley, Chris Wagner, Cindy Snyder, and Sue Croft.

"Let's go boys!" From heart-breaking defeat to hard-earned victory, the 1965-66 H.A.H.S. cheerleaders faithfully led Bearcat fans in this other spirit-building chants.

The Varsity squad, coached by Mrs. Karen Nolan and under the supervision of co-captains Barbara Everhart and Chris Wagner, cheered for school pep rallies and varsity sports. The Jay Vees, who cheered for junior varsity sports, were coached by Miss Linda Ritchey and captained by Connie Mateer.

The girls devoted long hours of practice toward perfecting their cheers and easily commanded the spectators' attention with their eye-catching routines. In addition to the many "tried and true" cheers used by the cheerleaders, this year's squad added many new cheers with a "beat" to their repertory.

H.A.H.S. can be justifiably proud of its 1965-66 cheerleading squads. As the prettiest and peppiest representatives of the student body, they were top-notch examples of good conduct and sportsmanship.

Miss Ritchey,

There is so much I owe to you that I don't know where to start. Too bad I didn't do as well little bitter on that national scholarship but maybe the other one makes up for that. I'll never forget that really great gym show and everything we did for it. Sometimes I'll practice that back handspring again. Looking forward to a great summer with that physical education class. Maybe given another 6 weeks might let you teach me something. Best wishes.

Secretaries

Mrs. Barbara Miller

During the 1965-66 school year the services of Mrs. Miller and Mrs. Wilson have been appreciated by students and faculty alike.

Welcoming visitors, keeping official student records, and providing clerical assistance for the administration and faculty are among the several duties which these girls capably and efficiently perform. Whenever information is sought, they are always ready to assist.

The Class of 1966 gives a friendly thank-you to the secretaries for the services they have rendered to us.

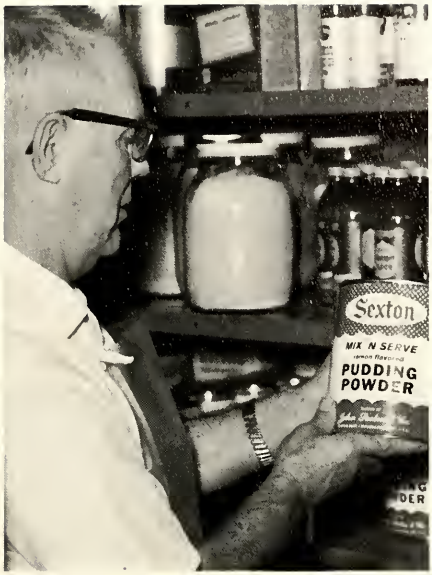
Cafeteria Personnel



"We can't use this--it's non-toxic."

Huntingdon Area High School is fortunate to have efficient cafeteria personnel. This is the group that is responsible for the daily planning, preparing, cooking, and serving of food for our cafeteria. Included in the culinary operations are the tasks of cleaning and maintenance of the cafeteria, the kitchen, the various machines and utensils, and other related items.

In addition to their regular duties, these individuals are to be commended for their splendid performance and cooperation during special banquets, luncheons, and certain emergencies requiring extra preparation and planning.

"Is it too late to turn back?"

"What do you mean we had this yesterday?"

Maintenance

Another team to which our school is indebted is the maintenance or custodial staff. This department functions to keep the building and grounds clean and neat, to keep equipment and facilities repaired and operative, and to provide the faculty with requisitioned supplies. This staff also provides assistance needed for dances, parties, games, or special programs. Without their help, many of the extra-curricular activities requiring the use of school facilities would be impossible.

The job of school maintenance is a big one which is handled excellently and efficiently by the custodial staff.

Miss Ritchey,
Try not to forget all of our great cheerleading something or others (?) from the year past... and please don't hold that tournament against us — next year we'll get 'em. I hope by then, that we will have re-established our constitution.
Be good to your new boy friend as well as Ron, even though the first mentioned seems a little more ahead right now. Don't ever let us kids tell you who to go with 'cause it never works out that way. Good luck with the man you finally become attached to 'cause whoever he is, he'll be great!!
I know my efforts this year weren't put all out for phy. ed. but at least I feel safe in saying that I tried (Remember the saying, "Never say can't")
Thanks again for all the advice and help that you gave me 'cause I've told you before that it really helped! I guess you could say that you're the coolest teacher that ever hit this school and I know everybody loves ya! It's too bad that I don't have more paper because I could go on & on!
Have fun this summer & try to remember the kids at H.H.S.
Love ya!

Miss Ritchey
To a real neat teacher. I will always remember you above all the others. You make a real neat basketball coach and I can't wait to be on it. Thanks for being such a neat friend and I'll try not to do anything to ruin it.

Miss Ritchey,
Even though the girl's basketball team was well coached, I still think the boy's can take them. Don't work to hard

Miss Ritchey,

May I do something for you for a change and wish you the very best of luck in all your few remaining years. I'm going to pour out all the emotion I've been hiding from you all year and tell you that you are my very favorite teacher in the whole world. You're different from any other teacher I ever had – you seem to care whether kids learn or not. You tried very hard to inspire me but soon found that your efforts were in vain – but I promise I'll try to be a good little kid and be a phys ed teacher. (Not because of why you might think – but because I want to be a phys ed. teacher) Before I take up all the space I'd better stop. Again good luck and I'll come and visit you sometime (won't you be glad!) Always retarded

Coach Lots of luck with the boys next year and hope they are as good to you as we have been. Have a nice summer and I hope to see you when school starts.

Ken Gummert

Miss Ritchey, Lots of luck to the "cutest" teachin at the high sch Best of luck wit & special way in your life

Miss Ritchey, I want to wish you lots of luck in your future teaching years. At P.H.S. I think you are a real fine teacher. I do hope you like good work

To the greatest gym teacher ever! Well I'm still hoping I'm still around next year to help you beat Stile. Who knows, we may be undefeated. Terry

Miss Ritchey

All year long I kept wishing I was in your gym class, and then when I finally made it I found out that you can't play softball any better than I can. Keep up the good work teaching us all those stupely rules.

John Stiel '66"

Nice Ritchey. Too bad you didn't have me to put up with in your phys. ed. class. You would have had real problems then. You really improved that department. Hope you stay. Good luck with your team next season.

Sally Floyd "66"

Miss Ritchey will have fun this summer and I hope I will have you next year for a Gym teacher. Remember all the fun we had in hockey and the prom!!

A.F.H. Hinnant "67"

Miss Ritchey, Thank you very much for helping me throughout the year. I'll always remember our fourth period talk. Hope to see you next year.

Be good always

Miss Ritchey

Best of luck always to a teacher who seemed more like one of us than a teacher. Have a great summer!!

Mary Ellen Smith "66"

Miss Ritchey:

Since you are the shapeliess gym teacher to ever hit Huntingdon High, I'm wishing you the very very best in your future teachers of all those high school Harrys.

SCOTT DONELSON

Miss Ritchey,

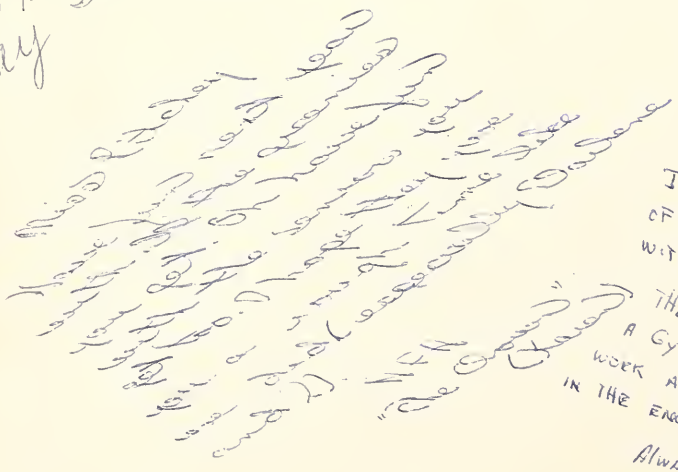
I cannot sign this as a graduate of your phys. ed classes, mainly because I'm not a female. However, I would like to wish you the best of luck in your future years at HAHS and also to say that I hope you're still here when I come back for my 25TH class reunion!

Ted

Miss Ritchey,
It's been a great year. to bad it's over. I'll never forget all those laps. Thanks for everything. always remember the fun we've had especially after midnight. Have a good year next year and please be good.

A.F.H.
Karen

Miss Ritchey
Be good to your Sr. (Class) next year and don't work them to hard. Stay as sweet as you are and the way I will remember you.
Karen Gutshall



MISS RITCHEY,
WHAT DO YOU DO WITH MIXED UP GIRLS??
I WISH YOU [redacted] THE BEST OF LUCK WITH GETTING ALONG WITH GEORGE NEXT YEAR.
THE NEXT TIME YOU PUT ON A GYM SUIT, REMEMBER ALL THE WORK AND PRACTICE IT TAKES, BUT IN THE END IT WAS WORTH IT.
ALWAYS A FRIEND

Miss Ritchey,
Good luck with
your future gym classes
& hope they will all
be as cooperative as
mine were (?)
Yours truly
Donna Sprague '64

Miss Ritchey,
Even though I
didn't have you as
a teacher, you may
remember me as the
girl who practically
hung herself in the
backroom — you dazzled
me up!
